PROFESSIONAL SUMMARY

Results-driven Frontend Developer and Computer Science undergraduate at Federal University of Technology Owerri (FUTO), ranked in the top 70 of 2,000+ Frontend track participants at the HNG Tech Internship. Proficient in React, JavaScript, TypeScript, HTML5, CSS, and responsive design, with hands-on experience building and deploying scalable web applications, including a healthcare support platform, a Progressive Web App (PWA), and an End-to-End Encrypted messaging application. Skilled in REST API integration, Git/GitHub version control, and cross-functional team collaboration in agile environments. Passionate about crafting high-performance, user-centered digital experiences and continuously growing in UI/UX implementation.

EXPERIENCE

Durable Comprehensive High School (DCHS) | Lagos, Nigeria

Aug 2022 – Aug 2023

Computer Instructor

- Delivered 200+ computer science and data processing classes to 200+ students, creating engaging learning environments with clear instructional objectives and expectations.
- Administered assessments for 200+ students and applied tailored teaching strategies that contributed to an 84% improvement in overall student performance.
- Facilitated hands-on laboratory sessions, supported curriculum development, and maintained accurate academic records to ensure effective learning and accountability.

HNG Tech | Nigeria

Apr 2026 – Present

Frontend Developer Intern

- Advanced through Stages 1-6 of the highly competitive HNG Internship Program, ranking among the top 70 participants out of 2,000+ applicants in my track.
- Developed and deployed responsive web applications, collaborating with cross-functional teams to deliver scalable and user-focused frontend solutions under tight deadlines.
- Contributed to a healthcare support platform aimed at assisting patients in diagnosis while strengthening teamwork, problem-solving, and collaboration skills at a high level.

DigitUp Solutions Limited | Owerri, Nigeria

May 2026 - Present

Intern

- Creating and managing performance-driven Meta (Facebook & Instagram) and TikTok ad campaigns for business clients, optimizing reach, engagement, and conversions.
- Designing marketing creatives and visual assets using Adobe Photoshop for use across social media platforms and digital campaigns.
- Building and managing business pages and online brand presence across Meta platforms to support client marketing strategies.

Durable Comprehensive High School (DCHS) | Lagos, Nigeria **2016 – 2022**

- WASSCE/WAEC/NECO/SSCE School Leaving Certificate
-

PROJECTS & COLLABORATIONS

[View Code](#) || [Habit Tracker Progressive Web App](#)

- Built a Progressive Web App for daily habit tracking using React, featuring offline support and installability, deployed on Vercel.

[View Code](#) || [WhisperBox E2EE Messaging Application](#)

- Developed a secure, end-to-end encrypted real-time messaging application using JavaScript and Web Crypto API, deployed on Vercel.

[View Code](#) || [Nexus Terminal - Real Time Data Visualization Platform](#)

- Built a real-time data visualization dashboard using Vue.js and TypeScript, enabling dynamic rendering of live data streams with an intuitive terminal-style UI.

[View Code](#) || [Boogies Seafood & Wings - Demo Website](#)

- Designed and developed a responsive restaurant landing page with a focus on UI/UX, mobile-first design, and clean visual hierarchy.

[View Code](#) || [Invoice Management Application](#)

- Built a full-featured invoice management app using React, enabling users to create, track, and manage invoices with a clean, accessible interface, deployed on Netlify.

[View Code](#) || [Summari – AI Page Summarizer \(Chrome Extension\)](#)

- Developed a Chrome Extension that leverages AI to summarize web pages instantly, improving reading efficiency for users directly within their browser.
-

SKILLS

Front-End Development, React, JavaScript, TypeScript, APIs, HTML5, CSS, Responsive Web Design, Git/GitHub, UI/UX Implementation, Microsoft Office, Graphics Design, Adobe Photoshop, Digital Marketing, Meta Ads, Leadership
